

ITALIAN SPECIALITIES

WHO WE ARE

FourChef is an Italian company specialized in the production of ready to eat Italian specialties like: Risotto, pasta and many others.

All our products are realized thanks to a patented process that ensures a premium quality, and better taste experience.

OUR INNOVATIVE PATENTED PROCESS

Our process is obtained thanks to the combination of different steps, that preserve the technological and organoleptical characteristics of all the ingredients used.

Thanks to this process we are able to:

Guarantee longer shelf life, without using preservatives

Ensure better taste experience and premium quality

Reduce new product development time

WHY CHOOSE OUR PRODUCTS

TIME SAVING

Our products can be prepared in a few minutes by oven or microwave

NO WASTE

Food waste have a big impact on the revenue and on the planet. Thanks to our solution we can contribute to food waste reduction, the first cause of food shortage.

FOOD COST

Thanks to our products, define the product food cost per serving has never been so easy

NEVER BEEN SO EASY

Nowadays Cheff and specialized workers are even more rare. So that Easy to prepare products are becoming more and more central in food business in order to be able to provide standard and high quality dish to the customers.
